**HPRC** the watertight and unbreakable cases.

HPRC supports the project "Timeless moments" for saving the nature and unspoiled wilderness.

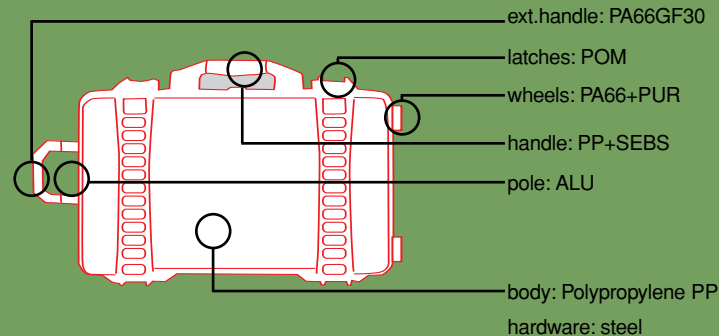

[www.hprc.it](http://www.hprc.it)

**Life Time Warranty HPRC:** all the Plaber's products, have been built to rigorous standards of quality and are guaranteed against all defects in materials and workmanship for the life of the case.

HPRC can be used for all sorts of applications and for different areas: photography, industrial, military, nautical, police and many other uses. HPRC provide total protection to the equipment inside them, against dust, water, impacts, corrosion for chemical agents.

**OEM PROGRAM**

- Dedicated staff for designing and build custom
- Case applications
- Custom logo service
- R&D solutions on demand
- Different weight and cell foam structures

OEM Staff: [oem@hprc.it](mailto:oem@hprc.it)

**WHY HPRC ?**

- Unique innovative resin mix
- Lightest weight
- Reinforced corners
- High performances at extreme temperatures
- Smooth opening latches
- Ergonomic long comfort handle
- Style + performance

**2007 NEW**

**TTX01** As result of continuous research, Plaber is proud to introduce TTX01.

Most of hard watertight cases are made in standard PP: our R&D department has developed an enhanced compound, still based on PP, now balanced with additional High Performance Resins. TTX01 allows to produce cases lighter in weight, stronger in robustness.

How? The special mix we added, make the walls of the HPRC shell more elastic and thinner, increasing the shockproof degree and the lightweight. On the top of that, maintaining PP characteristics, HPRC are acidproof, scratchproof, able to resist at extreme weather conditions and temperature changes (all the sizes are tested from - 40° C up to 80°C).
