

PORTEX - Case

The perfect case for keeping electronic instruments, precious camera equipment, hazardous goods and medical supplies safe from the ingress of water and dust, and for presenting valuable items in an appropriate fashion.

Clean lines combined with rugged durability out performs the competition. Frequent travellers appreciate the tough **PORTEX** design and lightweight construction.

Type	Finish (Surface)	Dimension external (LxWxT - in mm)	Dimension internal (LxWxT - in mm)	Weight (in kg)
EF 2118	Natural	456x360x131	450x330x128	3.2
EF 2119	Natural	526x380x182	520x350x179	3.6
EF 2141	Texture	456x360x131	450x330x128	2.6
EF 2142	Texture	526x380x182	520x350x179	3.0

(Standard components on stock – Price conditions ex works, not painted)
